GOVERNMENT OF MYSORE ELECTRICAL DEPARTMENT.

SIVASAMUDRAM.

Notification dated 7th November 1925.

Notice is hereby given that sealed tenders will be received up to 2 P.M., on 1st December 1925, by the General Superintendent, Generating Stations, Sivasamudram, for the supply of materials noted in the Schedule below by contract required for the construction works of the VII Installation at Sivasamudram.

2. No tender will be received after the hour and date mentioned.

3. The accepted tenderer should enter into an agreement with the General Superintendent, Generating Stations, Sivasamudram and begin the supply within 15 days after the acceptance of tender. Tenders can be givenf or all or any one of the items of articles mentioned in the list.

4. Tenders should be superscribed for the articles for which they are tendered for.

5. The materials are required to be supplied either on the Bluff at Sivasamudram Island or at Head Works. Rates for the supply of materials at different places should be given.

6. No tenders will be received unless accompanied by a Deposit of Rs. 500 for building stones and lime and Rs. 100 in case of other articles either in cash or in Government Promissory Notes.

7. All articles supplied should be acceptable to the General Superintendent or his Assistant.

8. Tenders will be opened by the General Superintendent, Generating Stations, Sivasamudram in the presence of any of the tenderers that may choose to be present at the time.

9. The General Superintendent does not bind to accept the lowest or any tender and he may reject any tender without assigning any reason for it.

10. The name of the successful tenderer will be posted on the Notice Board of the General Superintendent's Office and no enquiry regarding the acceptance or rejection of a tender will receive any reply.

11. The deposits of the successful tenderers will be retained and will be forfeited if they fail to execute the contract bond within one week from the date of acceptance of their contracts.

12. The decision of the General Superintendent will be final in all questions of infringement of contract.

13. Any further information required can be obtained by applying to the General Superintendent, Generating Stations, Sivasamudram.

14. The accepted tender will be subject to confirmation by the General Superintendent who reserves to himself the right of rejecting all or any of the tenders.

15. The contractor will also be bound to make good to Government any loss which may arise from his failure, or by Government having to purchase the articles specified in the contracts in the local markets at higher rates than those contracted for. All condemned articles should be removed immediately out of the premises by the contractor; otherwise the same will be put outside the premises at contractor's risk and cost.
